

## **Mission Statement**

At Evolve Recreation Therapy, our mission is to support adults with brain and spinal cord injuries in reconnecting to life and community through personalized, one-on-one care that fosters confidence, connection, and purpose.

## **Vision Statement**

Evolve Recreation Therapy envisions a community where adults with brain and spinal cord injuries feel confident, connected, and supported in living meaningful, engaged lives beyond traditional rehabilitation settings.

## **Ethics & Professional Standards**

Evolve Recreation Therapy, LLC provides services in accordance with the ethical standards and professional scope of practice for Certified Therapeutic Recreation Specialists (CTRS). All services are person-centered, goal-directed, and grounded in respect for client dignity, autonomy, and individual values.

Evolve is committed to maintaining professional integrity, confidentiality, and collaborative communication with clients, families, and interdisciplinary teams. Services are delivered within appropriate clinical boundaries and in compliance with applicable state and federal regulations, including those related to documentation, billing, and privacy.
